Manufacturing straps & nets

As ACL Airshop we manufacture cargo nets and cargo straps for the airline industry and for the trucking industry. We manufacture these straps at our own factory: DOT TIEDOWN

Why Choose DOT?

As a silent leader in the tiedown and cargo control industry, DOT Tiedown now services clients out of four US locations as well as partners in Europe, Middle East, Africa and Asia. We offer a full line of quality branded and private label restraints and cargo equipment that can be seen around the globe. We sell hardware and assemblies in box, pallet, or container loads to six continents. Our goals are simple: quality, service, and pride.

What Does DOT Tiedown Do?

We Weave, Dye, Cut, & Sew 100% USA Made Webbing Produced At Our Plant In South Carolina.

We Acquire Alternative Webbing To Sew Products To Your Specifications Or Mil Standard.

We Sell Pallets & Containers Of Hardware & Import Tiedowns For Private Label & Retail Applications.

We Design Products For Use By Major Manufacturers Of ATV's, Lawn Equipment, Trailer Manufacturers, Medical & Military Equipment, Aviation, & More.

We Offer Private Labels, Custom Stencils, & Serialized Tags, and MORE!
